

THE PRIVATIER CODE

THE PRIVATIER IS NOT A PERSON.
IT'S A MINDSET. THE ART OF OWNING
TIME, CLARITY AND WEALTH.

(READ THIS EVERY DAY)

I am a Privatier.

I choose value over speculation.
My thoughts are calm and clear.
I act with quiet confidence.

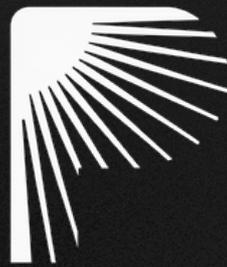

I do not chase markets.
I build structure.

Before earning more,
I put my system in place
so every dollar I invest
starts working for me.

In a world where everything gets inflated,
I own what cannot be printed.

I measure wealth in time, clarity, and freedom.
I make few decisions,
and I stand behind them.

I master the art of owning
time, clarity, and wealth.
